About EuroEngineerJobs.com

EuroEngineerJobs.com is a quality recruitment medium for a highly qualified and targeted audience of international engineering experts across Europe.

Since its launch in July 2011, the site has grown rapidly, and now attracts an extensive audience of specialised jobseekers:

- Every month EuroEngineerJobs has around 50,000 visits, and over 35,000 unique visitors
- Over 12,000 engineers are subscribed to our weekly jobs newsletter
- All actively seeking to improve their career opportunities in a wide range of engineering fields all over Europe

We have a substantial yet focused audience that you can reach quickly and at extremely competitive prices. Your ads can be online within a few hours, giving immediate results.

EuroEngineerJobs offers two highly effective advertising options at competitive rates.

- High impact **website banner** options
- Strong **newsletter advert** options that reach our audience directly through their email inbox

More and more international organisations are using us to reach this target audience – join them and take advantage of this rapidly expanding niche audience to promote your message.

The EuroEngineerJobs Audience

EuroEngineerJobs caters to expert engineering professionals who want to work in Aerospace, Automotive, Chemical, Civil, Electrical, Mechanical and Power Engineering companies all over Europe.

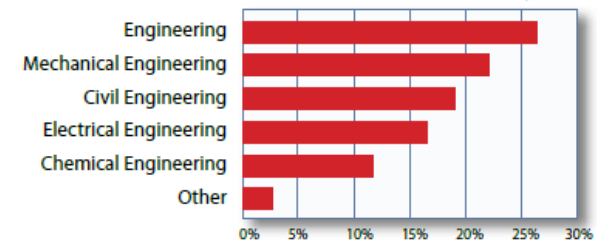

Country and Language

Most of our users live in Western European countries and speak at least two European languages, usually including English. In other words, EuroEngineerJobs attracts highly qualified, multilingual and geographically mobile engineering experts from all over Europe.

Website Banners

Displaying your message in banner advertisements on our website, with over 35,000 unique monthly visitors, is perhaps the strongest possible channel for reaching engineering experts from across Europe.

Where are our website banners displayed?

Your advert will be displayed prominently at the top of our job search pages:

What is the format of our website banners?

We offer several forms of website advertising:

- Leader Board
- Logos and Specialised pages

Our most popular option is the Leader Board website banner, as used by prestigious international organisations such as the European Patent Office, and these are displayed at the standard size of 728 x 90 pixels.

It is also possible to sponsor job categories and become a EuroEngineerJobs 'Partner'. These options are ideal for highly targeted advertising.

What are our website banner rates?

WEBSITE BANNER AD RATE CARD				
Type	Format	Page Impressions/month	Approx share of monthly P.I.	Price
Banner	Leader Board (728 x 90 pixels)	20,000	20%	€ 600
		40,000	40%	€ 1000
		80,000	80%	€ 1800

Please don't hesitate to contact our sales team at sales@euroengineerjobs.com for further information.

Newsletter Adverts

The EuroEngineerJobs Newsletter is sent to thousands of engineering experts every week – and it is read carefully by its recipients. Communicate your message to them in a quick and effective banner format!

What is the format of our newsletter adverts?

It is possible to choose from two different formats for your newsletter advert:

- Logo + Text advert
- Leader Board Banner (728 x 90 pixels)

Our team will be happy to advise you on which format will best suit your message for optimum results.
